

INDEX OF INDICATORS

References are to table numbers.

A

Agriculture	
agricultural raw materials	
commodity prices	6.5
exports	
as share of total exports	4.4
from high-income economies as share of total exports	6.3
imports	
as share of total imports	4.5
by high-income economies as share of total imports	6.3
tariff rates applied by high-income countries	6.3
cereal	
area under production	3.2
yield	3.3
employment, as share of total	3.2
fertilizer	
commodity prices	6.5
consumption, per hectare of arable land	3.2
food	
commodity prices	6.5
exports	4.4
from high-income economies as share of total exports	6.3
imports	4.5
by high-income economies as share of total imports	6.3
tariff rates applied by high-income countries	6.3
freshwater withdrawals for, as share of total	3.5
land	
agricultural, as share of land area	3.2
arable	
as share of land area	3.1
per 100 people	3.1
area under cereal production	3.2
Irrigated	3.2
permanent cropland, as share of land area	3.1
machinery	
tractors per 100 square kilometers of arable land	3.2
production indexes	
crop	3.3
food	3.3
livestock	3.3
value added	
annual growth	4.1
as share of GDP	4.2

Aid	
by recipient	
aid dependency ratios	6.12
grants	6.12
per capita	6.12
technical cooperation	6.12
total	6.12
net disbursements	
as share of donor GNI	1.4
from major donors, by recipient	6.13
net flows	
bilateral aid	6.13
from bilateral sources	6.11
from international financial institutions	6.11
from multilateral sources	6.11
for basic social services, as share of sector-allocable bilateral ODA commitments	1.4
AIDS—see HIV, prevalence	
Air pollution—see Pollution	
Air transport	
air freight	5.10
passengers carried	5.10
registered carrier departures worldwide	5.10
Antiretroviral therapy coverage	2.22
Asylum seekers—see Migration; Refugees	
B	
Balance of payments	
current account balance	4.17
as share of GDP	4.a
exports and imports of goods and services	4.17
net current transfers	4.17
net income	4.17
total reserves	4.a, 4.17
See also Exports; Imports; Investment; Private financial flows; Trade	
Base metals	
commodity prices and price index	6.5

Battle-related deaths	5.8	time required	5.3
Beverages		finance	
commodity prices	6.5	firms using banks to finance investment	5.2
Biodiversity—see Biological diversity		gender	
Biological diversity		female participation in ownership	5.2
assessment, date prepared, by country	3.17	getting electricity	
GEF benefits index	3.4	time required	5.3
threatened species	3.4	informality	
birds	3.4	firms formally registered when operations started	5.2, 5.8
fish	3.4	infrastructure	
higher plants	3.4	value lost due to electrical outages	5.2
mammals	3.4	innovation	
treaty	3.17	internationally recognized quality certification ownership	5.2
Birth rate, crude	2.1	permits and licenses	
See also Fertility rate		time required to obtain operating license	5.2
Births attended by skilled health staff	2.19	protecting investors	
Birthweight, low	2.21	disclosure, index	5.3
Bonds—see Debt flows; Private financial flows		registering property	
Brain drain—see Emigration of people with tertiary education to OECD countries		number of procedures	5.3
Breastfeeding, exclusive	2.21	time to register	5.3
Broad money	4.15	regulation and tax	
Business environment		average number of times firms spend meeting with tax officials	5.2
businesses registered		time dealing with officials	5.2
entry density	5.1	resolving insolvency	
new	5.1	time required	5.3
corruption		starting a business	
informal payments to public officials	5.2	cost to start a business	5.3
crime		number of start-up procedures	5.3
losses due to theft, robbery, vandalism, and arson	5.2, 5.8	time to start a business	5.3
dealing with construction permits to build a warehouse		trade	
number of procedures	5.3	average time to clear direct exports	5.2
time required	5.3	workforce	
enforcing contracts		firms offering formal training	5.2
number of procedures	5.3		
		C	
		Carbon dioxide	
		damage, as share of GNI	4.11
		emissions	
		by sector	3.11
		from electricity and heat production, as share of total fuel combustion	3.11
		from manufacturing industries and construction, as share of total fuel combustion	3.11
		from other sectors, as share of total fuel combustion	3.11

INDEX OF INDICATORS

from residential buildings and commercial and public services, as share of total fuel combustion	3.11	Computer users per 100 people	5.12
from transport as share of total fuel combustion	3.11	Consumption	
per capita	1.3, 3.9	as share of GDP	4.8
per unit of GDP	3.9	average annual growth	4.9
total	1.6, 3.9	per capita	4.9
intensity	3.9	distribution—see Income distribution	
Cause of death		fixed capital	4.10, 4.11
communicable diseases and maternal, prenatal, and nutritional conditions	2.22	government, general final expenditure	
injuries	2.22	annual growth	4.9
noncommunicable disease	2.22	as share of GDP	4.8
Children at work		See also Purchasing power parity (PPP)	
by economic activity	2.6	Contraceptives	
male and female	2.6	prevalence rate	1.3, 2.19
status in employment	2.6	unmet need for	2.19
study and work	2.6	Contract enforcement	
total	2.6, 5.8	number of procedures	5.3
work only	2.6	time required for	5.3
Cities—see Urban environment;		Corruption, informal payments to public officials	5.2
Climate variability		Country Policy and Institutional Assessment (CPIA)—see Economic management; Social inclusion and equity policies; Public sector management and institutions; Structural policies	
average daily minimum/maximum temperature	3.12	Credit	
projected annual precipitation change	3.12	getting credit	
projected annual temperature change	3.12	depth of credit information index	5.5
projected change in annual cool days/cold nights	3.12	strength of legal rights index	5.5
projected change in annual hot days/warm nights	3.12	provided by banking sector	5.5
Closing a business—see Business environment		to private sector	5.1
Commercial bank and other lending	6.10	Crime	
See also Debt flows; Private financial flows		business losses due to	5.2
Commodity prices and price indexes	6.5	intentional homicide rate	5.8
Communications—see Internet; Newspapers, daily; Telephones; Television, households with		Current account balance	4.17
Compensation		See also Balance of payments	
of central government employees	4.13	Customs	
See also Remittances		average time to clear exports	5.2
		burden of procedures	6.8

D

DAC (Development Assistance Committee)—see Aid	
Death rate, crude	2.1
See also Mortality rate	
Debt, external	
as share of GNI	6.9
debt service	
total, as share of exports of goods and services and income	6.9
long-term	
private nonguaranteed	6.9
public and publicly guaranteed	6.9
present value	
as share of GNI	6.9
as share of exports of goods and services and income	6.9
short-term	
as share of total debt	6.9
as share of total reserves	6.9
total	6.9
Debt flows	
bonds	6.10
commercial banks and other lending	6.10
See also Private financial flows	
Deforestation, average annual	3.4
Demand—see Consumption; Imports; Exports; Savings	
Density—see Population, density	
Dependency ratio—See Population, age dependency ratio	
Development assistance—see Aid	
Disaster risk reduction progress score—see Resilience	
Disease—see Health risks	
Distribution of income or consumption—see Income distribution	
Economic management (Country Policy and Institutional Assessment)	
debt policy	5.9

E

economic management cluster average	5.9
fiscal policy	5.9
macroeconomic management	5.9
Education	
children out of school	
male and female	2.12
poorest and richest wealth quintile	2.15
cohort survival rate	
to grade 5, male and female	2.13
to last grade of primary education, male and female	2.13
completion rate, primary	
male and female	2.14, 2.15
poorest and richest wealth quintiles	2.15
total	1.2, 2.14
enrollment ratio	
girls to boys enrollment in primary and secondary education	1.2
gross	
by level	2.12
primary	5.8
secondary	2.4
net	
by level	2.12
primary, adjusted	2.12
intake ratio, gross	
first grade of primary education	2.13
grade 1	2.15
primary participation rate, gross	2.15
public expenditure on	
as share of GDP	2.11
as share of GNI	4.11
as share of total government expenditure	2.11
per student, as share of GDP per capita, by level	2.11
pupil–teacher ratio, primary	2.11
repeaters, primary, male and female	2.13
teachers, primary, trained	2.11
transition to secondary school, male and female	2.13
unemployment by level of educational attainment	2.5
years of schooling, average, poorest and richest wealth quintiles	2.15
Electricity	
access to	3.8
business lost due to outages	5.2
consumption	5.11
production	
total	3.8
sources	3.8

INDEX OF INDICATORS

time required	5.3	GDP per unit of energy use	3.9
transmission and distribution losses	5.11	per capita	3.7
		total	3.7
Emissions		See also Electricity; Fuels	
carbon dioxide		Enforcing contracts—see Business environment	
average annual growth	3.10	Enrollment—see Education	
intensity	3.9	Entry regulations for business—see Business environment	
per capita	1.3, 3.9	Environmental strategy or action plans, year adopted	3.17
per unit of GDP	3.9	Equity flows	
total	1.6, 3.9	foreign direct investment	6.10
See also Carbon dioxide, emissions		portfolio equity	6.10
methane		See also Private financial flows	
agricultural, as share of total	3.10	European Commission	
from energy processes, as share of total	3.10	distribution of net aid from	6.13
total	3.10	Exchange rates	
nitrous oxide		official, local currency units to U.S. dollar	4.16
agricultural, as share of total	3.10	purchasing power parity conversion factor	4.16
energy and industry, as share of total	3.10	ratio of PPP conversion factor to official exchange rate	4.16
total	3.10	real effective	4.16
other greenhouse gases	3.10	See also Purchasing power parity (PPP)	
Employment		Exports	
children in employment	2.6, 5.8	arms	5.7
in agriculture		documents required for	6.8
as share of total employment	3.2	goods and services	
female	1.5, 2.3	as share of GDP	4.8
male	2.3	average annual growth	4.a, 4.9
in industry, male and female	2.3	total	4.17
in services, male and female	2.3	high-technology	
to population ratio	2.4	share of manufactured exports	5.13
vulnerable	1.2, 2.4	total	5.13
See also Labor force; Unemployment		information and communications technology	5.12
Endangered species—see Biological diversity; Plants, higher		lead time	6.8
Energy		merchandise	
commodity price index	6.5	annual growth	6.1, 6.2
consumption, road sector	3.15	by regional trade blocs	6.6
depletion, as share of GNI	4.11	direction of trade	6.2
emissions—see Pollution		from high-income countries, by product	6.3
imports, net	3.9	from developing countries, by recipient	6.4
production	3.7	structure	4.4
use			
alternative and nuclear energy	3.7		
average annual growth	3.7		
combustible renewables and waste, as share of total	3.7		
fossil fuel consumption, as share of total	3.7		

INDEX OF INDICATORS

vulnerable employment	2.4
Gini index	2.9
Government, central	
cash surplus or deficit	4.12
debt	
as share of GDP	4.12
interest, as share of revenue	4.12
expense	
as share of GDP	4.12
by economic type	4.13
net incurrence of liabilities, as share of GDP, domestic and foreign	4.12
revenue	
as share of GDP	4.12
grants and other	4.14
social contributions	4.14
taxes	
as share of GDP	5.6
by source, as share of revenue	4.14
Greenhouse gases—see Emissions	
Gross capital formation	
annual growth	4.9
as share of GDP	4.8
Gross domestic product (GDP)	
annual growth	1.1, 1.6, 4.1, 4.10
contribution of natural resources	3.18
implicit deflator—see Prices	
per capita, annual growth	1.1, 1.6
total	4.2, 4.10
Gross enrollment—see Education	
Gross national income (GNI)	
adjusted net national income	
annual growth	4.10
total	4.10
annual growth	4.10
per capita	
PPP dollars	1.1, 1.6
rank	1.1
U.S. dollars	1.1, 1.6
rank	
PPP dollars	1.1

U.S. dollars	1.1
total	
PPP dollars	1.1, 1.6
U.S. dollars	1.1, 1.6, 4.10

H

Health care	
antiretroviral therapy coverage	2.22
children sleeping under treated nets	2.18
children with acute respiratory infection taken to health provider	2.18
children with diarrhea who received oral rehydration and continued feeding	2.18
children with fever receiving antimalarial drugs	2.18
HIV, prevalence	1.3
hospital beds per 1,000 people	2.16
immunization rate, child	2.18
nurses and midwives per 1,000 people	2.16
outpatient visits per capita	2.16
physicians per 1,000 people	2.16
reproductive	
anemia, prevalence of, pregnant women	2.21
births attended by skilled health staff	2.19
contraceptive prevalence rate	1.3, 2.19
fertility rate	
adolescent	2.19
total	2.19
lifetime risk of maternal death	2.19
low-birthweight babies	2.21
maternal mortality ratio	1.3, 2.19, 5.8
pregnant women receiving prenatal care	1.5, 2.19
unmet need for contraception	2.19
tuberculosis	
incidence	1.3, 2.22
treatment success rate	2.18
Health expenditure	
as share of GDP	2.16
external resources	2.16
out of pocket	2.16
per capita	2.16
public	2.16
Health information	
census, year last completed	2.17
completeness of vital registration	
birth registration	2.17

infant death	2.17	Hunger, depth	5.8
total death	2.17		
health survey, year last completed	2.17		
national health account			
number completed	2.17	Immunization rate, child	
year last completed	2.17	DPT, share of children ages 12–23 months	2.18
		measles, share of children ages 12–23 months	2.18
Health risks			
anemia, prevalence of		Imports	
children under age 5	2.21	arms	5.7
pregnant women	2.21	documents required for	6.8
cause of death	2.22	energy, net, as share of total energy use	3.9
child malnutrition, prevalence		goods and services	
stunting	2.20	as share of GDP	4.8
underweight	1.2, 2.20	average annual growth	4.9
wasting	2.20	total	4.17
diabetes, prevalence	2.22	information and communications technology goods	5.12
HIV, prevalence	1.3, 2.22	lead time	6.8
low-birthweight babies	2.21	merchandise	
overweight children, prevalence	2.20	annual growth	6.2
smoking, prevalence, male and female	2.22	by developing countries, by partner	6.4
tuberculosis, incidence	1.3, 2.22	by high-income countries, by product	6.3
undernourishment, prevalence	2.20	structure	4.5
		tariffs	6.3, 6.7
Heavily indebted poor countries (HIPC)s		total	4.5
assistance	1.4	value, average annual growth	6.1
completion point	1.4	volume, average annual growth	6.1
decision point	1.4	services	
Multilateral Debt Relief Initiative (MDRI) assistance	1.4	structure	4.7
		total	4.7
HIV		travel	4.7, 6.14
prevalence		See also Trade	
female	2.22		
population ages 15–24, male and female	2.22	Income distribution	
total	1.3, 2.22	Gini index	2.9
		percentage of	1.2, 2.9
Homicide rate, intentional	5.8		
		Industry	
Hospital beds—see Health care		annual growth	4.1
		as share of GDP	4.2
Housing conditions, national and urban		employment, male and female	2.3
durable dwelling units	3.14	freshwater withdrawals for output	3.5
home ownership	3.14		
household size	3.14	Inflation—see Prices	
multiunit dwellings	3.14		
overcrowding	3.14	Informal economy, firms formally registered when operations started	5.2
vacancy rate	3.14		

INDEX OF INDICATORS

Information and communications technology trade	5.11
Innovation, internationally recognized certification ownership	5.2
Interest payments—see Government, central, debt	
Interest rates	
deposit	4.15
lending	4.15
real	4.15
risk premium on lending	5.5
spread	5.5
Internally displaced persons	5.8
International Bank for Reconstruction and Development (IBRD)	
net financial flows from	6.11
International Development Association (IDA)	
net concessional flows from	6.11
Resource Allocation Index	5.8, 5.9
International Monetary Fund (IMF)	
net financial flows from	6.11
Internet	
fixed broadband	
access tariff	5.12
subscriptions	5.12
international Internet bandwidth	5.12
secure servers	5.12
users	5.12
Investment	
foreign direct, net inflows	
as share of GDP	6.10
total	6.10
infrastructure, private participation in	
energy	5.1
telecommunications	5.1
transport	5.1
water and sanitation	5.1
See also Gross capital formation; Private financial flows	
Iodized salt, consumption of	2.21

L

Labor force	
annual growth	2.2
armed forces	5.7
children at work	2.6
female	2.2
nonagricultural	1.5
part-time	1.5
participation of population ages 15 and older, male and female	2.2
total	2.2
See also Employment; Migration; Unemployment	
Land area	
arable—see Agriculture, land; Land use	
See also Protected areas; Surface area; and Exposure to impact	
Land use	
arable land	
as share of total land	3.1
per 100 people	3.1
area under cereal production	3.2
by type	3.1
forest area, as share of total land	3.1
irrigated land	3.2
permanent cropland, as share of total land	3.1
total area	3.1
Life expectancy at birth	
male and female	1.5
total	1.6, 2.23
Literacy	
adult	
male and female	2.14
total	1.6
mathematics, students at the lowest level of proficiency on PISA	2.14
youth, male and female	2.14
Logistics Performance Index	6.8
M	
Malaria	
children sleeping under treated nets	2.18
children with fever receiving antimalarial drugs	2.18

Malnutrition, in children under age 5	1.2, 2.20	by developing countries, by partner	6.4
Management time dealing with officials	5.2	food	4.5, 6.3
Manufacturing		fuels	4.5, 6.3
annual growth	4.1	information and communications technology goods	5.12
as share of GDP	4.2	manufactures	4.5
value added		ores and metals	4.5
chemicals	4.3	ores and nonferrous materials	6.3
food, beverages, and tobacco	4.3	to low-income economies by high-income economies, by product	6.3
machinery and transport equipment	4.3	to middle-income economies by high-income economies, by product	6.3
other	4.3	total	4.5
structure	4.3	value, average annual growth	6.1
textiles and clothing	4.3	volume, average annual growth	6.1
total	4.3	trade	
See also Merchandise		by developing countries, by partner	6.4
Market access to high-income countries		direction	6.2
goods admitted free of tariffs	1.4	growth	6.2
support to agriculture	1.4	regional trade blocs	6.6
tariffs on exports from least developed countries		Metals and minerals	
agricultural products	1.4	commodity prices and price index	6.5
clothing	1.4	Methane emissions	
textiles	1.4	agricultural as share of total	3.10
Merchandise		industrial as share of total	3.10
exports		total	3.10
agricultural raw materials	4.4, 6.3	Migration	
food	4.4, 6.3	emigration of people with tertiary education to OECD countries	6.14
from developing countries, by partner	6.4	international migrant stock, total	6.14
from regional trade blocs	6.6	net	6.14
fuels	4.4, 6.3	See also Refugees; Remittances	
information and communications technology goods	5.12	Military	
information and communications technology services	5.12	armed forces personnel	
manufactures	4.4	as share of labor force	5.7
ores and metals	4.4	total	5.7
ores and nonferrous materials	6.3	arms transfers	
structure	4.4	exports	5.7
to low-income economies from high-income economies, by product	6.3	imports	5.7
to middle-income economies from high-income economies,		military expenditure	
by product	6.3	as share of central government expenditure	5.7
total	4.4	as share of GDP	5.7, 5.8
value, average annual growth	6.1	Millennium Development Goals, indicators for	
volume, average annual growth	6.1	access to improved sanitation facilities	1.3, 2.18, 3.13, 5.8
within regional trade blocs	6.6	access to improved water source	2.18, 3.5, 5.8
imports			
agricultural raw materials	4.5, 6.3		

INDEX OF INDICATORS

average tariff imposed by developed countries on exports of least developed countries	1.4	incidence	1.3, 2.22
births attended by skilled health staff	2.19	treatment success rate	2.18
carbon dioxide emissions per capita	1.3, 3.9	under-five mortality rate	1.2, 2.22, 5.8
children sleeping under treated nets	2.18	poorest and richest wealth quintile	2.24
contraceptive prevalence rate	1.3, 2.19	total	1.2, 2.23, 5.8
employment to population ratio	2.4	undernourishment, prevalence	2.20
enrollment ratio, net, primary	2.12	unmet need for contraception	2.19
female to male enrollments, primary and secondary	1.2	vulnerable employment	1.2, 2.4
fertility rate, adolescent	2.19	women in wage employment in the nonagricultural sector	1.5
goods admitted free of tariffs from least developed countries	1.4	Minerals depletion, as share of GNI	4.11
heavily indebted poor countries (HIPCs)		Monetary indicators	
assistance	1.4	broad money	4.15
completion point	1.4	claims central government	4.15
decision point	1.4	other claims on domestic economy	4.15
Multilateral Debt Relief Initiative (MDRI) assistance nominal debt		Mortality rate	
service relief committed	1.4	adult, male and female	2.23
immunization rate, child		child, male and female	2.23
DPT	2.18	children under age 5	1.2, 2.23, 5.8
measles	2.18	crude death rate	2.1
income or consumption, national share of poorest quintile	1.2, 2.9	infant	2.23
infant mortality rate	2.22	life expectancy at birth	2.23
poorest and richest wealth quintile	2.24	maternal	1.3, 2.19, 5.8
total	2.23	lifetime risk of maternal death	2.19
Internet users per 100 people	1.3, 5.12	neonatal	2.23
labor productivity, GDP per person employed	2.4	Motor vehicles	
literacy rate of 15- to 24-year-olds	2.14	passenger cars	3.15
malnutrition, prevalence	1.2, 2.20	per 1,000 people	3.15
malaria		per kilometer of road	3.15
children under age 5 sleeping under treated nets	2.18	road density	3.15
children under age 5 with fever who are treated with appropriate antimalarial drugs	2.18	See also Roads; Traffic	
maternal mortality ratio	1.3, 2.19, 5.8	MUV G-5 index	6.5
mobile cellular subscriptions per 100 people	5.11	MUV G-15 index	6.5
national parliament seats held by women	1.5	N	
official development assistance		Natural resource depletion, as share of GNI	4.10
for basic social services as share of total sector allocable ODA		Net enrollment—see Education	
commitments	1.4	Newspapers, daily	5.12
net disbursements, as share of donor GNI	1.4		
poverty gap	2.7, 2.8		
pregnant women receiving prenatal care	1.5, 2.19		
share of cohort reaching last grade of primary education	2.13		
support to agriculture	1.4		
telephone lines, fixed, per 100 people	5.11		
tuberculosis			
case detection rate	2.18		

INDEX OF INDICATORS

in selected cities	3.16	See also Investment	
in urban agglomerations	3.13		
total	3.13	Productivity	
See also Migration; Electricity; and Exposure to impact		agricultural	3.3
		labor	2.4
Portfolio—see Equity flows; Private financial flows		water	3.5
Ports		Protected areas	
container traffic in	5.9	marine	
quality of infrastructure	6.8	as share of total surface area	3.4
		total	3.4
Poverty		terrestrial	
international poverty line		as share of total surface area	3.4
local currency	2.8	total	3.4
population living below			
\$1.25 a day	2.8	Protecting investors disclosure index	5.3
\$2 a day	2.8		
national poverty line		Public sector management and institutions (Country Policy and Institutional Assessment)	
population living below, national, rural, and urban	2.7	efficiency of revenue mobilization	5.9
poverty gap, national, rural, and urban	2.7	property rights and rule-based governance	5.9
		public sector management and institutions cluster average	5.9
Power—see Electricity, production		quality of budgetary and financial management	5.9
		quality of public administration	5.9
Precipitation		transparency, accountability, and corruption in the public sector	5.9
